

LES DÎNERS
DE DALÍ
AU MUSÉE

MENÙ

Welcome to a culinary journey into the surreal world of Salvador Dalí, where every dish is an artwork. The dishes inspired by the menù of Tommaso Zoboli, chef of the Patrizia restaurant in Modena, celebrate the dreamlike imagery of the Catalan master. Let us transport you to a dimension where taste and art come together in an unprecedented sensory experience.

FULL MENU euro 95,00
